Subject: Council Meeting/Public Hearing Testimony

Aloha and thank you for this opportunity to provide testimony on a very important issue that will directly impact me, my family and my community. My name is Joan Ka'ai'ai Paglinawan and I would like to provide my testimony supporting Resolution 06-105, The Application for a Section 401 Water Quality Certification by the Developer of "The Woods At Ahuimanu" Proposed Development in Kahaluu. Although I now reside on the island of Kauai, my hale (immediate family) resides at 47-710 Ahuimanu Road, Kaneohe, HI 96744. My home is directly across the street of the proposed development. I support the public hearings and I have concerns about the potential impact of the subdivision. This concerns include surface water drainage. I thank you again for this opportunity to provide my support on this very important issue.
